

## CR Foundation® Announces Additional “Dentistry Update®” Courses

*Enthusiastic, well-known Guest Presenter has been invited to expand the “Dentistry Update®” to more locations, adding to CR Foundation’s many courses already presented by Drs. Gordon and Rella Christensen.*

**Dr. Michael DiTolla,**  
Guest Presenter

The Board of Directors of CR Foundation (formerly CRA) and the Clinicians Report publications are pleased to announce the participation of Dr. Michael DiTolla as a Guest Presenter at additional CR “Dentistry Update®” course locations in 2014.

Dr. Mike DiTolla is well known for his high-energy, entertaining, and practical delivery of helpful concepts to his dental colleagues. He is an ideal addition to the diverse, well accepted schedule of annual fast-paced CR “Dentistry Update®” courses that will continue to be presented by Dr. Gordon Christensen and Dr. Rella Christensen.

Gordon has stated, “The addition of another dentist already known to be a master of sharing his experiences while incorporating the independent findings of CR Foundation will greatly augment CR’s current series of courses. Additionally, more dentists in more locations within the United States will hear the truthful dental product information and more patients will be benefited.”

Here is a quick glimpse at a sampling of the accomplishments of Michael DiTolla, DDS FAGD:

- Graduate of University of the Pacific Arthur A. Dugoni School of Dentistry
- Awarded Fellowship in the Academy of General Dentistry
- Dental Excellence Award as America’s “Most Effective Dentist Educator”
- Clinical Evaluator for CR Foundation, Clinicians Report
- Director of Clinical Research and Education at Glidewell Labs
- Clinical Editor of *Chairside Magazine* and host of the weekly Chairside Live
- Author of monthly column on restorative dentistry for *Dental Economics*

Dr. DiTolla is excited to be able to further the mission of CR Foundation in an enthusiastic, entertaining, and practical way by disseminating non-biased CR research findings as broadly as possible through the CR “Dentistry Update®” as a Guest Presenter. Mike announced, “I have been a long-time follower of Gordon and Rella and am happy to be able to help with getting their excellent work to even more dentists. I may not have as much hair as Gordon, but I do have his ability to keep a crowds’ attention while delivering helpful pearls. I am honored to be a more visible part of the education mission of Clinicians Report!”

The Christensens and The CR Board of Directors appreciate Dr. DiTolla’s upcoming participation as the sole presenter at the three *Bonus* CR “Dentistry Update®” course locations that will be offered in addition to the regular CR “Dentistry Update®” courses presented by the Christensens. Enjoy learning from Mike at the following “Dentistry Update®” courses:

- Philadelphia, PA – August 22, 2014
- Portland, OR – October 3, 2014
- Cleveland, OH – November 14, 2014

Join us for a fun-filled day of what many dentists call “the best continuing education course in dentistry, with proven helpful techniques and useful, high-performing products.” To register for a course or for a full listing of course locations and dates, visit [www.CliniciansReport.org](http://www.CliniciansReport.org) or contact Camla at 888-334-3200.
